

08CL7332-6

REMARKS

Claims 1 - 4, 6 - 31 and 33 - 37 were pending in the present application. All pending claims have been cancelled without prejudice. New Claims 1 - 34 have been added, thereby leaving Claims 1 - 34 for consideration upon entry of the present amendment. No new matter has been introduced by these amendments.

Claims Rejected Under 35 U.S.C. § 112, Second Paragraph

Claims 1 - 4, 6 - 31 and 33 - 37 have been rejected under 35 U.S.C. § 112, Second Paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which Applicant regards as the invention. (Office Action mailed September 29, 2003, page 2)

In making the rejection the Examiner has stated that "Applicants claim numbering is indefinite with regard to proper dependency. Several problems exist which appear to being with originally filed Claim 8, which is directed to a colored data storage media". (Office Action mailed September 29, 2003, page 2)

The Applicant's have cancelled Claims 1 - 4, 6 - 31 and 33 - 37 without further prejudice. In their place, new Claims 1 - 34 have been filed. No new matter has been introduced as a result of this amendment. Support for the new claims can be found in the original claims as filed and in the claims amended in subsequent amendments. This rejection is therefore rendered moot and the Applicants respectfully request an allowance of the claims.

08CL7332-6

It is believed that the foregoing remarks and amendments fully comply with the Office Action and that the claims herein should now be allowable to Applicants. Accordingly, reconsideration and allowance is requested.

If there are any additional charges with respect to this Amendment or otherwise, please charge them to Deposit Account No. 07-0862 maintained by Assignee.

Respectfully submitted,
